Thanks for taking part in my presentation! In the following pages, you'll find the PowerPoint slides you requested.

As I shared in my keynote, engagement is the key to unlock everything for the younger generations: consistent attendance, positive behaviors, enhanced performance, better outcomes, and more.

If you'd like to dig deeper, here are further resources:

- [YouTube](#): More content, tools, and insights from my work
- [Competitive Advantage Track](#): Through this free video series and action guides, I'll introduce the what, why, and how of competitive advantage to the young people in your sphere of influence
- [Flexible Lesson Framework](#): Easily teach 21 professional and life skills to students in preK through college/workforce development with the Skill Tree flexible lesson framework
- [Career Tree](#): Don't just check the career exploration box—bring it to life with the Career Tree, designed specifically for today's younger generations
